PRESS RELEASE

FOR IMMEDIATE RELEASE

31st July, 2025

TWO STAR EXPORT RECOGNITION FOR ESSEN: A TESTAMENT TO INDIA'S RISING POWER IN SUSTAINABLE PLASTIC MANUFACTURING.

Rajkot, July 2, 2025 — Essen Speciality Films, a global leader in innovative and sustainable plastic solutions, has been awarded the prestigious Certificate of Recognition as a Two Star Export House by the Directorate General of Foreign Trade (DGFT), Department of Commerce, Ministry of Commerce & Industry, Government of India (भारत सरकार / वाणिज्य और उद्योग मंत्रालय / वाणिज्य विभाग / विदेश व्यापार महानिदेशालय) on 12th June 2025.

Founded in 2002 as a small family-run business, Essen began with a single product line as a contract manufacturer for the world's largest home

furnishing retailer. Over the past two decades, it has grown into a trusted global exporter, supplying to over 32 countries and offering an unmatched product mix under one roof. Their product ranges across various different categories such as Bath Essentials, Artificial Plants & Flowers, Kitchen & Dining, Storage & Organization, Fitness & Lifestyle and Outdoor & Utility Products.

“We are honored to receive this recognition from the Government of India. It validates our journey of combining scale with sustainability and innovation,” said Mr. Pallav Doshi, Whole-Time Managing Director of Essen Speciality Films Limited.

Today, Essen is globally recognized as a front-runner in sustainable plastic manufacturing, offering product ranges made exclusively from post-consumer recycled materials certified under GRS and RCS. This milestone aligns closely with the Government of India's Make in India initiative, showcasing how manufacturers like Essen are leading the transition toward sustainable, innovation-led, and export-driven industrial growth.

This recognition as a Two Star Export House emphasizes Essen's role in shaping the future of India's plastic exports, backed by innovation, circular economy principles, and responsible manufacturing.

About Essen Speciality Films Limited:

Essen Speciality Films Limited is a leading global manufacturer of sustainable plastic products, offering a diverse range including Bath Area and Accessories, Artificial Plants & Flowers, Kitchen & Dining, Storage & Organization, Fitness & Lifestyle, and Outdoor & Utility Products. Established in 2002 as a small family business, Essen has since grown into a powerhouse supplying top-quality products to Fortune 500 Retailers and OEMs across 47+ countries. Backed by over 37 years of machine manufacturing expertise from Rajoo Engineers Ltd., Essen prides itself on its commitment to sustainability, exclusively utilizing renewable and recycled polymers in its manufacturing processes.
