

Corrugated packaging industry to reunite after two years

As economy begins to recover and businesses are bouncing back in full swing, IndiaCorr Expo and India Folding Carton gears up to reunite the corrugated case manufacturing and folding carton industry after the long gap of two years from 23-25 October 2021 at India Expo Centre in Greater Noida.

Over the past eight years, IndiaCorr Expo & India Folding Carton catered to the Indian market as the leading b2b events for corrugated case manufacturing, converting, package printing, box making and folding carton segments, bringing thousands of buyers and sellers to connect face-to-face to build business relationships, network and learn from industry experts. After a gap of two years, the events are back to offer a dynamic business platform to attendees. As an attendee, expect top-notch showcase of latest machinery, discover top brands and witness live demos to source end-to-end corrugated and folding carton solutions under one roof.

The strategic partners of the event, Indian Corrugated Case Manufacturers' Association (ICCMA) is bringing back ICCMA Congress, which will take place on 23-24 October 2021 to gather corrugators from across the country. Themed as "The Changing Landscape- Adapting to the new normal", the sessions will address current challenges faced by the industry and will host a range of eminent industry experts.

Anuj Mathur, Chief Operating Officer of RX India, said: "It's a real win for the industry as leading suppliers and buyers have confirmed their presence for the upcoming show in October and ICCMA is expected to host its largest attended congress ever. Given that our global health, safety and hygiene measures are in place – IndiaCorr Expo & India Folding Carton will bring industry in a safe and conducive business environment."

Echoing with Mathur, Sandeep Wadhwa, President of ICCMA said: "We are pleased to be back at IndiaCorr Expo & India Folding Carton. The industry needs to connect face-to-face in order to explore growth opportunities. The upcoming edition of ICCMA Congress will address rising concerns and prepare corrugators to stay agile and prepared for the future trends and opportunities."

The stellar showcase of live machinery will continue to take the centre stage with leading players including BOBST, BHS Corrugated, EMBA Machinery, Astron Paper, Westrock, Fuma Machinery, Fosber, Natraj Industries, ERHARDT + LEIMER, Re Equipment (India), Nitta Corporation India, JS Corrugating Machinery, Robus India amongst many others participating at the event.

Attendees can pre-register to attend at www.IndiaCorrExpo.com to receive their entry tickets. Visit IndiaCorr Expo and India Folding Carton from 23-25 October 2021 at India Expo Mart, Greater Noida, Delhi NCR.
