

## Press Release

# 18 new apprentices at Mitsubishi HiTec Paper

Bielefeld – August 19, 2022

Good training has always been a tradition at Mitsubishi HiTec Paper. At the beginning of August, 18 new apprentices started their careers. At the Bielefeld and Flensburg mills, the young talents are being trained as paper technologists, machine and plant operators, industrial mechanics, electronics technicians for industrial engineering, electronics technicians for automation technology and cutting machine operators. This means that 42 young talents are now undergoing their training at Mitsubishi HiTec Paper.

We extend a warm welcome to all the new apprentices!
